AVON STATION METROPOLITAN DISTRICT

2026 BUDGET MESSAGE

Avon Station Metropolitan District is a quasi-municipal corporation organized and operated pursuant to provisions set forth in the Colorado Special District Act. The District was established to supply the necessary services of parking areas and/or structures, transportation, water and wastewater mainlines, streets, bridges and other improvements needed for the area.

The District has no employees and all operations and administrative functions are contracted.

The following budget is prepared on the modified accrual basis of accounting, which is consistent with the basis of accounting used in presenting the District's financial statements.

2026 BUDGET STRATEGY

Avon Station Metropolitan District joined with Confluence Metropolitan District in adopting an Amended and Restated Consolidated Service Plan in March 2006. Under this consolidated service plan, Confluence will be the “service district” and Avon Station will be the “financing district.” As such, Confluence Metropolitan District will be responsible for managing the construction and operation of facilities and improvements needed for the Avon Station area and Avon Station Metropolitan District will be responsible for providing the funding and tax bases needed to support the financing plan for capital improvements.

Avon Station Metropolitan District anticipates utilizing the property taxes it collects to pay for a portion of its obligations under the Intergovernmental Agreements (“IGA”) with Confluence Metropolitan District.
